

Program Management Question - Have you travelled outside Canada in the last 14 days?

YES

Staff will wear Personal Protective Equipment (PPE) at all bookings for 14 consecutive days.
Client will be asked to wear an ear-loop mask, if they are able to do so.

NO

Question 1:
Do you have a fever, and new onset cough, or difficulty breathing?

Question 2:
Have you had close contact with a person with acute respiratory illness who has travelled outside of Canada in the last 14 days?

Question 3:
Have you had close contact with a confirmed or probable case of someone with COVID-19?

YES

If a client answers 'yes' to any of the above, staff will put on Personal Protective Equipment before proceeding with the booking (gloves, goggles, mask & gown).
Clients will be asked to wear an ear-loop mask, if they are able to do so.

NO

Bookings will be completed as usual.
