**TO:** All PACE Staff & Clients  
**FROM:** Laura Visser, Chief Executive Officer  
**DATE:** Friday, April 17, 2020  
**SUBJECT:** COVID-19 Response Update - Addendum

---

Further to the communication shared earlier today, the Ontario Government has now issued a further announcement today that expands the scope of the emergency order to restrict retirement home employees from working for more than one retirement home, long-term care provider or other health care service provider by April 22, 2020.

### **Anticipated Impact for PACE**

At present, we are aware of up to 15 team members who also work for retirement home. The PACE Human Resources team is reaching out to each of these impacted team members to ensure that they are aware of the requirements of the emergency order. As explained previously, we are working diligently to mitigate the impact for PACE clients and team members.

We are committed to continuing to provide you with these important updates.
